Duolingo - <https://www.duolingo.com/o/ffzcdx> All students need to join Duolingo. Enter the site and the assigned class (GSFS La clase de 2021), using the link here. Please practice the designated assignment for your class (200 XP goal, which was assigned August 10.) This work will count as a project grade in the fall.

I do not keep your log-in information on file, so please make sure to keep your username and password in a safe place for future reference. Also, make sure your username has your FIRST name included in it. For example, mine could be “kristinlafabulosa”, and that would fit the bill. I need to track your work, and first names are very helpful.

**NEW students:**

1. Please practice on Duolingo as directed above AND please practice:
2. Quizlet. Join the class using this link (please know that I will not have your log-in information so SAVE these usernames and passwords in a safe place, making them accessible from various devices.):

**For a new account and to join the class:** <https://quizlet.com/join/qrEQ6M3V6>

Practice as many sets as you can, as these are the structures your incoming class knows how to use. MAKE SURE your username starts with your first name, so that you are easily identifiable. There’s no need to include your last name.

3. Attend "*Spanish camp*" this August. The schedule is:

Tues-Th, August 21-23, 9-12 noon

This will be held at GSFS, in the Lower School 3A classroom on the second floor. Please enter the door on Armat St, as the new building is being built at the main Armat St entrance. All you need to bring is yourself, and make sure you have practiced Duolingo and Quizlet prior to coming.
